

“ Tadmur has grown to be one of Qatar’s leading and most reliable companies over the past 42 years. ”

TADMUR HOLDING

Tadmur Holding W.L.L. is one of Qatar’s leading business conglomerates, owning and operating a number of multi-disciplinary subsidiaries across the country. Since its inception in 1977, our companies have catered to various business sectors through a wide range of products, services and solutions.

Our goal is to inspire and support all of our subsidiaries in continuously reflecting our collective identity as a leading multifaceted group in Qatar. As Tadmur Holding’s presence in Qatar has marked its three-decade milestone, our 12 subsidiaries utilize our combined experience in the local market to provide the best products, services and business solutions that benefit all our clients and stakeholders.

Moreover, the pride with which we preserve our Qatari roots drives us to ensure that, at the essence of each corporate undertaking, is the vision of a deeper integration into the country’s economic landscape and the objective of a significant contribution towards the realization of Qatar’s National Vision for 2030; all while maintaining unrivalled global standards.

Each of Tadmur’s subsidiaries flourishes under the leadership and perseverance of dedicated teams of skilled, experienced professionals. Each individual team possesses a vast body of knowledge and expertise in their respective fields, and is led by managers and directors whose some of their track records are seen as a flagship in Qatar.

As our collective workforce engages in realizing our common goals every day, Tadmur Holding provides them with the support and resources required for achieving optimal productivity, namely through offering them a selection of specialized coaching and knowledge sharing platforms. While our companies function independently, the synergies achieved have led to the growth and expansion that have placed Tadmur Holding and its group of companies amongst Qatar’s market leaders in multiple industries.
